CLIMAFLEX® SKIRT SEALS

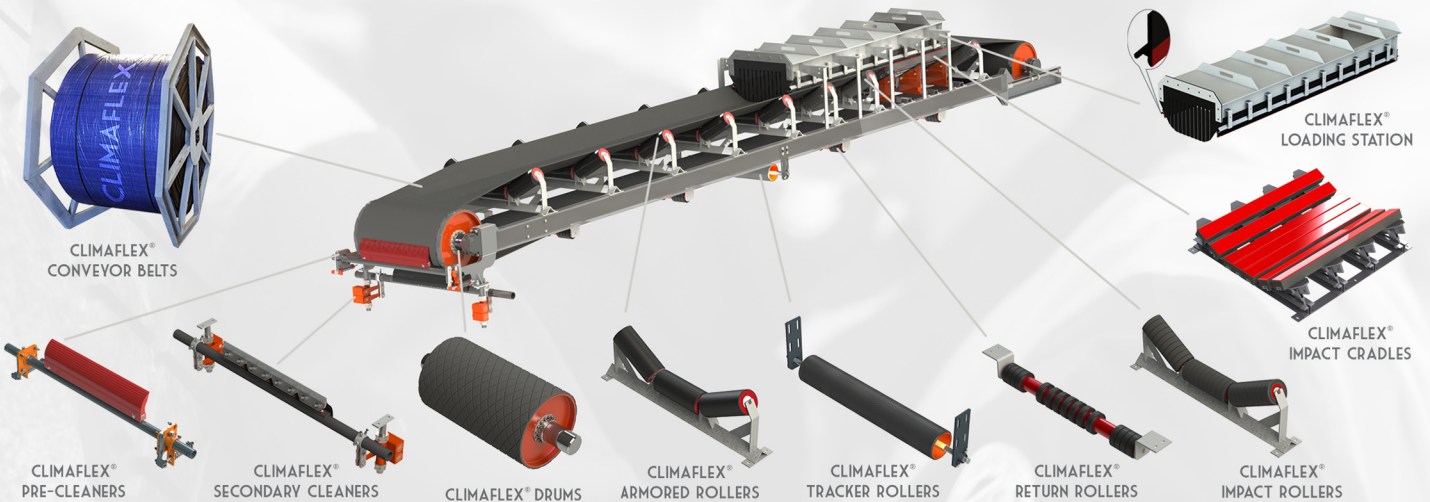

OCEAN RUBBER FACTORY LLC

OCEAN RUBBER FACTORY

Ocean Rubber Factory is the Middle East's leading supplier of technical rubber products. With over 500 employees across four countries and eight factories on two production sites, ORF supplies customers with innovative, quality solutions. ORF has been raising industry standards for decades, ensuring perfection in every detail.

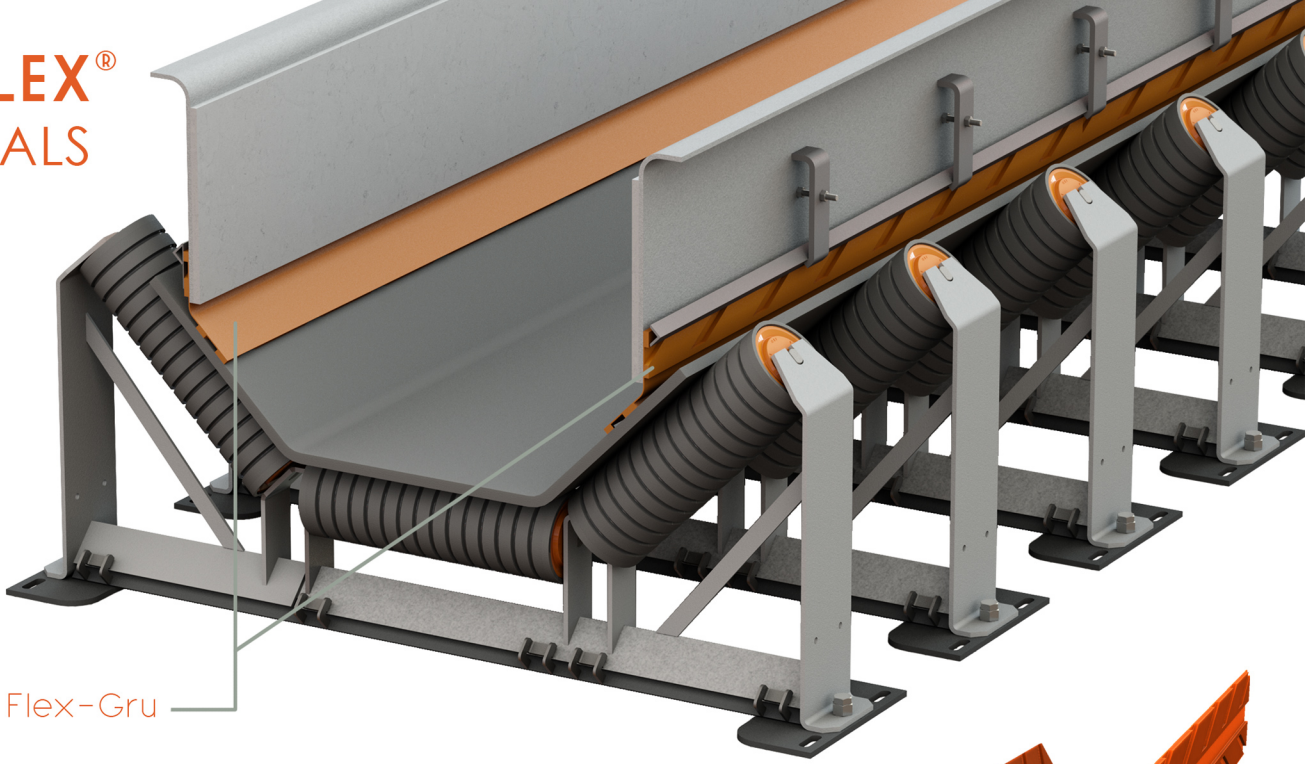

Conveniently located at the cross-roads of Asia, the Middle East and Africa, ORF has a network of distributors and partners across the MENA region. With incredible infrastructure for transportation from the UAE, Ocean Rubber can provide customers with optimal delivery speed while ensuring a superior level of service, across every touch point.

CLIMAFLEX® SKIRT SEALS

Climaflex® Flex-Gru Skirt Seals

Manufactured using Hard (Low friction), Wear Resistant Polyurethane.
Effectively seals uneven surfaces due to its flexibility.
Proprietary Grooves makes trapped materials at the contact surface go back into the conveyor.
Can be suited to any transform angle.
Available in 2.5m standard length.

Ordering Code:-
CFFG-O10-200-95

STANDARD SKIRT OPTIONS

Climaflex® Y-2 Skirt Seals

Manufactured using both Hard-Wear Resistant Polyurethane & High Quality Rubber Compound.
Bulb Lip Outer Seal acts as a secondary barrier to the aggregates.
Bulb Lip is designed to offer minimum possible resistance to the belt movement.
Can be suited to any transform angle.
Available in 2.5m standard length.

Ordering Code:-
CFY2-O15-160-95 (Medium)
CFY2-O15-200-95 (Large)

Climaflex® I-1 Skirt Seals

Manufactured using Hard-Wear Resistant Polyurethane.
Basic skirt seal suitable for heavy aggregates.
Can be suited to any transform angle.
Available in 2.5m standard length.

Ordering Code:-
CFI1-O20-200-95

Climaflex Skirt Seals will offer maximum sealing when used along with Climaflex Impact / Roller-Pad Hybrid Cradle
